

# Preface

**Beloved in CHRIST,**

**“BEHOLD, the days come, saith the LORD GOD, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the Words of the LORD.”**

Amos 8:11

In these last days, we have begun to feel and understand that this declaration of GOD through the prophet Amos is becoming more and more true. If we keep this in mind, even a cursory inspection of the book, **“ONE GOD !! ONE PEOPLE !!” — “AN INVALUABLE COMPENDIUM OF GOD’S SECRETS”** will convince us that it is a rare book.

This is a **rare book** because not many books of this kind, emphasizing the wages of sin, hell and the wrath of GOD are written nowadays. This is because most people like to hear and talk only about what they want for themselves, not what GOD wants for them. They want physical prosperity in this world, as that alone is pleasing to them and satisfying. They seem to think worldly prosperity alone is sufficient for them. Our LORD JESUS CHRIST has said,

**“But seek ye first the kingdom of GOD, and HIS righteousness; and all these things shall be added unto you.”**

St. Matthew 6:33

If we seek GOD, the LORD JESUS CHRIST for HIS righteousness and HIS kingdom, then HE will surely supply all our need; HE will surely meet all our need according to HIS riches; HE will surely meet all our need gloriously; and HE will surely meet all our need by CHRIST JESUS HIMSELF. The Holy Bible, the Holy Scriptures says,

**“But my GOD shall supply all your need according to HIS riches in glory by CHRIST JESUS.”**

Philippians 4:19

It is not only a rare book, but also a **precious book** and a challenging book. It is a blessed book of GOD's secrets. This book is a document revealing GOD's secrets and it is a divine revelation of truth. In this precious book, the secret things (Deuteronomy 29:29) and the hidden things and the new things (Isaiah 48:6) belong to our LORD GOD, JESUS CHRIST, are revealed to us by HIS own gracious will.

It is a precious and **blessed book** since it has been written through the immense grace of the ONLY TRUE GOD, for the physical as well as the spiritual goodness, for the worldly as well as the heavenly blessings of mankind.

It is a **challenging book**; because it gives a stern, severe, serious and solemn final call to GOD's people, reminding them of the trumpet call and urging them to be holy and sinless, faithful and obedient and to be prepared for the glorious appearing of the great GOD and our SAVIOUR JESUS CHRIST.

**“ONE GOD !! ONE PEOPLE !!”** is an ancient saying in Tamil widely known and worthy of acceptance. This book has been written by the will and decision of the ONE GOD for mankind so that whoever reads it can understand who the ONE GOD is, who the ONE PEOPLE are, and live as one among the people of the ONE GOD and inherit the everlasting Kingdom of the ONE GOD and rule there with the ONE GOD for ever and ever as king and priest.

The author of this book is not in anyway worthy to write this book. Since the exceeding grace, mercy, kindness and love of the LORD GOD are upon the author, he has written this book for the LORD JESUS CHRIST, the ONLY TRUE GOD, by HIS great wisdom and on the leading of the HOLY SPIRIT. Let praise, honour, glory, majesty, wisdom, power and strength be to the ONE GOD, our SAVIOUR both now and ever. Amen.

Now, for the good of all and the safety and security and comfort of all, I write the same things again and again. As Paul, the apostle has said,

**“...To write the same things to you, to me indeed is not grievous, but for you it is safe (a safeguard).”**

Philippians 3:1

Repetition has been used as a device to build up and develop a concept or a theme, step by step. It is the brick-by-brick method, which I have found very effective in spiritual discourses.

The phrases, **ONE GOD, ONLY ONE GOD** and **ONE AND ONLY TRUE GOD** have been repeated several times so that they are intended to be watershed points where the reader can stand and gasp, admire and adore the divine attributes of the **MOST HOLY GOD** and rejoice in the Spirit. I am also convinced that the more the LORD GOD is praised and extolled, the better HE is known and HIS ways and HIS thoughts understood.

My heartfelt thanks are due to my beloved spiritual father and guide, late Sadhu. G. Devanesan Aiyas encouragement to write this precious and blessed book.

Now, I express my heartfelt thanks to my beloved brother in CHRIST who wants to remain anonymous and who has been of invaluable help in the final stages of this book. My thanks are also due to the two beloved believers of our church for their help in the

preliminary stages of this book and to the beloved workers of our church for their help in utilizing the computer for typesetting and other secretarial works for this precious and blessed book. May GOD bless them immensely with worldly and heavenly blessings.

I have been praying for all to know and understand this precious book and to get worldly and heavenly blessings abundantly. I have also been praying for the future generations to know and understand this precious book and to get worldly and heavenly blessings abundantly.

Let the grace of the LORD JESUS CHRIST, the ONLY TRUE GOD be with all those who read this book, who listen to the facts of this book, and who walk in the facts of this book. Amen.
